

CITI'S WOMEN IN I.T. ONE-WEEK HIGH SCHOOL TECHNOLOGY SUMMER INTERNSHIP

SUMMER INTERNSHIP INFORMATION

WHAT?

Citi's Women in I.T. High School Technology Internship

WHY?

During this hands-on Technology internship, interns will work in teams and learn to build and program a robot to compete in a competition challenge at the end of the internship. Interns will also be required to create a brand and strategy for their robot and pitch their idea to Citi's senior leadership team. Throughout the week, interns will have a chance to hone their technology skills, meet technology professionals, and learn more about pursuing a career in technology.

WHO?

Female high school students, 16 years or older as of June 1, 2020 interested in learning more about pursuing careers in Technology
