

# Information that goes in the Internship Powerpoint

(No minimum required number of slides, but 7-8 is the average.)

(Please do not submit a Prezi or video. The photos from the powerpoint are used for future marketing purposes.)

Email to Kathy Mignerey at [kathy.mignerey@stjohns.k12.fl.us](mailto:kathy.mignerey@stjohns.k12.fl.us) by August 1<sup>st</sup>.

This should be reviewed with your intern supervisor before being sent to Ms. Mignerey to be sure the information is correct and that confidential information has not been shared.

Ms. Mignerey will then send it to your Career Academy teacher and Career Specialist. You will be asked to share it with next year's juniors at some point during next school year to encourage them to apply for summer internships.

All Career Academy Interns MUST complete the **Intern Powerpoint** as their final internship task. Once the powerpoint and all timesheets have been received by Ms. Mignerey, those in unpaid internships will be emailed a letter indicating the total number of hours the student interned. Then, the student would submit this letter to their Guidance Counselor to post to the student's transcript to count toward Bright Future Community Service Hours. Students in paid internships will have earned a salary and so are not able to obtain community service hours.
