

St. Johns County Academy of Future Teachers

St. Johns County
Academy of
Future Teachers

The **FUTURE TEACHERS** Academy works hands-on with our local schools, explores the career of education using service learning, cutting-edge technology, and full-year

internships. Fostering the next generation of educators, the program focuses on developing student leaders who will be the next caring contributors to the children of the future.

Placing academic success at the forefront of the program, qualifying students have the opportunity to earn dual enrollment credit from St. Johns River State College and/or the University of North Florida. Graduates of the program can also qualify to sign the Memorandum of Understanding with the St. Johns County School Board. This agreement provides a salary incentive for graduates of the academy who return and are successfully hired to teach in St. Johns County.
