

Kickstart Students for **LIFE!**

"INCubatoredu wasn't a normal class. You're learning how to start a business, and then you're doing it. You're not just reading from a textbook; you're applying it to the real world."

- Connor Boundy, Former INC Student

WHAT IS INCUBATOREDU?

INCubatoredu offers students an authentic entrepreneurship experience. Students will create and fully develop a product or service while also discussing foundational business topics. Real entrepreneurs and business experts serve as volunteer coaches and mentors, guiding student teams around a business concept, testing hypotheses, adapting, and iterating.

COACH

Give a few hours to the students in the class by sharing your experience!

MENTOR

Work with a student group for an hour a week throughout the school year to help them develop their idea into a minimum viable product and teach them how to think with a business mind.

BOARD OF ADVISORS

Help us bridge the gap between the community and the schools and offer strategic direction to student teams during their pitch presentations.
